Subject: Documentation Supporting KFM Letter No. 143 (Construction of Pier T1 Oversized Hole at CIDH #T1)

Dear Christopher,

The Department reminds the Contractor that the Department's Letter No. 869, dated March 3, 2006, requested the calculations, and associated documentation, that support KFM's notification of differing site conditions at CIDH pile location No. 01 of the Pier T1 footing. Please provide this information at the earliest possible time to facilitate a timely resolution to this issue.

If you have any questions or need additional information, please contact Mark Vilcheck at (510) 286-0526.

Sincerely,
